PROGRAMME OVERVIEW

About the Programme

Learn the law. Navigate sensitive situations. Facilitate with confidence.

The Certified POSH Trainer Programme is an intensive, practice-led certification built to take participants beyond theory — equipping them with legal understanding, inquiry competence and the facilitation skill to run POSH sessions and support Internal Committees with confidence.

On successful completion of the programme, participants will be able to:

- Confidently design and deliver POSH awareness and sensitisation sessions
- Apply the Levitate CLEAR POSH Framework™ to practical workplace situations
- Explain complaint intake, inquiry principles and the role of the Internal Committee with clarity
- Navigate key legal definitions, coverage, jurisdiction and compliance requirements
- Facilitate sensitive POSH conversations with confidence, care and legal grounding
- Handle participant questions, resistance and difficult conversations responsibly
- Use case studies, facilitation tools and structured session plans to deliver workplace-ready POSH learning and build a credible career path as a certified workplace facilitator

Interactive Presentation

Case Studies

Roleplay

Activity Sheets

Reflection & Group Discussion

Every session combines legal grounding with practical HR insight and facilitator practice - using workplace cases, role plays, reflection, discussion and applied facilitation rather than theory alone. Participants leave equipped to lead POSH conversations, not simply understand the legislation.

Study Material

Presentation deck, case studies, templates, facilitation guides, session plans and a complete trainer toolkit.

Learning Management System (LMS)

Every participant receives access to Levitate PeopleSoft's dedicated LMS - a central learning and resource hub supporting the live certification programme throughout the learning journey.

The LMS brings programme resources together in one place, including recorded session access, module-wise learning resources, trainer toolkits, case materials, templates, downloadable resources and knowledge checks.

[Recorded Session Access](#) | [Trainer Toolkit](#) | [Module Resources](#) | [Downloadable Templates](#) | [Quizzes](#) | [Progress Tracking](#)

Module-wise quizzes and knowledge checks help participants reinforce key concepts, track their learning progress and prepare for the programme's assessment-based certification.

LEADERSHIP

About the Trainer

Parichita Kotnala

Founder & Managing Partner | Global HR Leader | POSH & POC SO Educator and Trainer

Parichita Kotnala is a global HR leader and learning facilitator with 15+ years of strategic HR experience across multinational organisations and diverse workplace environments spanning India, the United Kingdom, Europe, the United States and Canada.

Her experience spans employee relations, workplace culture, leadership development, performance, inclusion, people advisory and workplace compliance. Through Levitate PeopleSoft, she works with organisations and professionals on POSH awareness, Internal Committee capability building, workplace dignity and responsible workplace practices, bringing real organisational context into the training room.

Parichita is a certified POSH and POC SO Educator and Trainer. She is an alumna of XLRI - Xavier School of Management and the Indian Society for Training & Development (ISTD), with a Diploma in Training & Development recognised by the Department of Personnel and Training (DoPT), Government of India. She is also a certified soft-skills trainer through LifeLabs Learning, USA, with specialised training in Adult Mental Health First Aid from MHFA England.

Her facilitation combines legal clarity, practical HR judgement and real-world workplace application - preparing participants not merely to understand POSH, but to facilitate it responsibly and credibly.

ABOUT US

Levitate PeopleSoft

Levitate PeopleSoft is a workplace capability, facilitator certification and HR advisory organisation that works with professionals, organisations and institutions to build practical people capability for modern workplaces.

Our work spans Train-the-Trainer certification programmes, corporate learning interventions, institutional training and HR & workplace culture advisory - including Corporate Leadership Skills, behavioural skills, DEI, workplace wellbeing, POSH, POCSO and workplace compliance.

At Levitate, we elevate professionals into confident workplace facilitators and corporate trainers who can lead meaningful learning experiences with credibility and practical skill. Alongside our certification programmes, we partner with organisations and institutions to design learning interventions that strengthen workplace behaviours, build capability and translate learning into real-world impact.

Levitate's journey is strengthened by 35+ years of institutional HR legacy through Mr. Ravindra Prem Nath, former Chief Manager - HR at ONGC, together with Parichita Kotnala's 15+ years of global HR and workplace experience across India and international markets.

Our Purpose

To elevate trainers, transform workplaces and enable human-centred change - building confident facilitators and stronger workplace capability that lasts.

REAL VOICES

Testimonials

★★★★★

"Understanding unconscious bias is critical for anyone shaping public policy – the decisions we make today affect diverse communities in ways we don't always see. Levitate's session gave us the tools to recognise those blind spots."

Kanishk Vij

International Affairs & Public Policy, Konrad-Adenauer-Stiftung

★★★★★

"As an IC member, the quarterly sessions run by Levitate have made a real difference. They keep us updated, help us handle inquiries with more confidence, and give us a space to ask questions we wouldn't otherwise get answered."

Manisha Bisht

HR Manager, Krystelis

★★★★★

"The quarterly IC sessions with Levitate have been extremely valuable for our Internal Committee. Each session brings clarity on evolving compliance requirements and practical guidance on handling real cases."
