PROGRAMME OVERVIEW

About the Programme

Protect with knowledge. Respond with responsibility. Facilitate with care.

The Certified POCSO & Child Safety Facilitator Programme is an intensive, practice-led Train-the-Trainer certification designed to help professionals facilitate child-safety and POCSO awareness with legal clarity, age-appropriate communication and responsible reporting.

On successful completion of the programme, participants will be able to:

- Explain the POCSO legal and child-protection ecosystem with clarity
- Communicate child-safety concepts using age-appropriate and audience-sensitive language
- Recognise behavioural, situational and digital signals, grooming patterns and vulnerability
- Respond responsibly to disclosures and understand reporting pathways
- Support preventive and institutional child-safety systems
- Facilitate sensitive POCSO and child-safety awareness sessions with confidence and care

Beyond Awareness. Building Facilitation Capability.

This is not designed as a conventional POCSO awareness programme. Participants learn not only what to teach, but also:

- How to explain it.
- How to adapt it.
- How to facilitate sensitive conversations.
- How to handle difficult questions.
- How to respond if a disclosure occurs.
- And how to create learning environments that place child safety at the centre.

PROGRAMME OVERVIEW

The Levitate GUARD Child Safety Framework

The programme is anchored in the Levitate GUARD Child Safety Framework?, a structured facilitation approach that integrates the five critical capabilities required for responsible child-safety education:

G · Ground Rules for Safety

Creating safe, respectful and psychologically sensitive learning environments.

U · Understanding the Law

Building legal clarity around POCSO, reporting responsibilities and the wider child-protection ecosystem.

A · Age-Appropriate Language

Adapting child-safety communication for different developmental stages and stakeholder groups.

R · Recognising Signals

Understanding behavioural, physical, situational and digital indicators, grooming patterns and vulnerabilities without making assumptions.

D · Disclosure & Reporting

Responding sensitively to disclosures, maintaining appropriate boundaries and supporting responsible reporting.

Practice-Led Learning

The certification combines legal understanding with practical facilitator capability through:

- Applied case discussions
- Role plays and disclosure-response simulations
- Child-safety and institutional safeguarding activities
- Session-design assignments
- Certification practicum / micro-teaching
- Scenario-based learning
- Audience and age-adaptation exercises
- Facilitator practice exercises
- Knowledge checks and assessments

AUDIENCE

Activity Sheets

Reflection & Group Discussion

Every session combines legal grounding with practical HR insight and facilitator practice - using workplace cases, role plays, reflection, discussion and applied facilitation rather than theory alone. Participants leave equipped to lead POSH conversations, not simply understand the legislation.

Study Material

Presentation deck, case studies, templates, facilitation guides, session plans and a complete trainer toolkit.

Learning Management System (LMS)

Every participant receives access to Levitate PeopleSoft's dedicated LMS - a central learning and resource hub supporting the live certification programme throughout the learning journey.

The LMS brings programme resources together in one place, including recorded session access, module-wise learning resources, trainer toolkits, case materials, templates, downloadable resources and knowledge checks.

Module-wise quizzes and knowledge checks help participants reinforce key concepts, track their learning progress and prepare for the programme's assessment-based certification.

LEADERSHIP

Trainer Profile

Parichita Kotnala

**Founder & Managing Partner | Global HR Leader |
POSH & POC SO Educator and Trainer**

Parichita Kotnala is a global HR leader and learning facilitator with 15+ years of strategic HR experience across multinational organisations and diverse workplace environments spanning India, the United Kingdom, Europe, the United States and Canada.

Her experience spans employee relations, workplace culture, leadership development, performance, inclusion, people advisory and workplace compliance. Through Levitate PeopleSoft, she works with organisations and professionals on POSH awareness, Internal Committee capability building, workplace dignity and responsible workplace practices, bringing real organisational context into the training room.

Parichita is a certified POSH and POC SO Educator and Trainer. She is an alumna of XLRI – Xavier School of Management and the Indian Society for Training & Development (ISTD), with a Diploma in Training & Development recognised by the Department of Personnel and Training (DoPT), Government of India. She is also a certified soft-skills trainer through LifeLabs Learning, USA, with specialised training in Adult Mental Health First Aid from MHFA England.

Her facilitation combines legal clarity, practical HR judgement and real-world workplace application – preparing participants not merely to understand POSH, but to facilitate it responsibly and credibly.

Testimonials

"Really enjoyed the POCSO TTT Certification. Parichita Kotnala's teaching style made the legal concepts simple and practical. What stood out most was the mentoring support session - it was genuinely the best part and gave me real confidence to train others. Grateful for this experience!"

Geeta Kathayat

"The POCSO TTT Certification with Parichita was a great learning experience. She made even the tricky legal parts easy to understand. The best part for me was the support and mentoring session - the one-on-one guidance really boosted my confidence. Thankful to Parichita and the team for this experience!"

Kritika Banerjee

"Parichita's training style was clear, engaging, and rooted in practical experience. Through real-life case studies and interactive sessions, she made complex legal provisions easy to understand and apply. Her patience and dedication to ensuring every participant grasped the nuances of child protection law truly stood out."

Archana Malhotra

"I sincerely thank Levitate PeopleSoft and Parichita Kotnala for this valuable learning experience. This certification has strengthened my commitment to child protection and my ability to contribute meaningfully to building safer environments for children through informed training and advocacy."
